

Job description: Licensed Clinical Psychologist

Insight Counseling & Wellness, LLC

Hybrid remote/Madison/Sun Prairie/Verona

Start date: Immediately

Employment type:

Full-time, exempt, 40 hours per week

Required Education and Licensure: Doctoral degree and licensure in the state of Wisconsin as a Clinical Psychologist

We are seeking a dedicated Neuropsychologist to conduct comprehensive assessments and provide support to our clients. The role involves administering and interpreting neuropsychological tests, conducting clinical interviews, and collaborating with our interdisciplinary team. This candidate will also provide psychotherapy services to a wide variety of clients in between assessments. The ideal candidate will have a passion for providing neurodivergent-affirming care and assessments. We are seeking a neuropsychologist who can practice independently and can provide neuropsychological tests for adults and children. Only candidates with a strong understanding of neurodivergent-affirming practices and presentation of autism in women will be considered.

What We Offer:

Compensation: Competitive salary ranging from \$90,000 to \$120,000.

Work Schedule: Flexible scheduling options including in- person and remote work.

Benefits: Comprehensive benefits package including:

Continuing education opportunities

Health and Dental Insurance

Paid time off

401k with a 4% employer match

Additional benefits totaling over \$20,000 provided by the practice!

Responsibilities:

Conduct thorough neuropsychological assessments using standardized testing protocols

Attend regular team meetings and participate in clinical case discussions

Engage in community outreach activities, offering sensory-safe spaces at local events and expos

Engage in comprehensive and timely documentation

Provide clinical assessment, diagnosis and treatment of mental health needs of clients across the lifespan. This position works closely with the client to develop the appropriate treatment plan to move the client toward the desired change.

Maintains minimum direct service hour expectations.

Attends staff meetings, in-services and other program activities as requested.

Serve as on-call therapist approximately 2-3 weeks per year

Represent the clinic and its mission and values to other agencies and the general public

Essential qualifications:

- * Doctoral degree
- * Licensure as a Clinical Psychologist
- * Ability to work in collaboration with a variety of disciplines including case managers, psychotherapists, and body-centered therapists
- * Knowledge of and demonstrated skill in providing culturally sensitive, trauma-informed services
- * Strong organizational skills, excellent verbal and written communication skills
- * Ability to be flexible and creative
- * Ability to utilize Telehealth platforms for psychotherapy and clinic meetings as necessary

Preferred

- * Credentialed in good standing with Dane County's Comprehensive Community Services

Why Insight?

- * We offer regular supervision and collaboration with experienced clinicians
- * You'll have a guaranteed initial salary while we work together to build your caseload
- * We offer free yoga classes to all employees
- * We offer health insurance, a matching retirement fund, generous paid time off and competitive salaries
